RE: Public Notice-Public Service Commission of Kentucky,
Case No. 95-165 (Carlisle Cell Facility)

To whom it may concern:

We would like to make a request for intervention of the construction of the new cell facility to provide cellular radio telecommunication service, that is to be located at 685 Stoney Creek Road Carlisle, Kentucky. We feel that the location of this facility would considerably lower the value of our property should we decide to sell. In addition to lowering our property value we feel that the flashing light would be a nuisance and disturb our sleeping patterns. We have talked with residents where other facilities of this type are located and their biggest complaint is the flashing light coming through the window even when the blinds are shut. Please reconsider the location you have chosen at this time. Thank you for your time.

Sincerely,

Darrell and Pam Hicks - 241 Hickory Ridge Rd.
William and Ethel Sparks 142 Hickory Ridge Rd.
Ricky and Bullie Jo Sparks 147 Hickory Ridge Rd.
